## Afterthoughts of Promoter

Many congratulations to each and every one of you who tested your skills and strength against a very demanding course, made even more difficult with the keen wind. Mark Smith had a fine performance, stopping the clock in a remarkable time of 50:06 whilst Steve Dennis was a clear winner of the Vets competition with a plus of 6:08. In fact, only eight riders achieved a plus against the CTT Target Times which demonstrates the severity of the Course.

Although Katie Crowe improved on her last year's winning time, it was not good enough to get onto the podium! The Women's Competition was won by Mathilde Pauls in a spectacular time of 59:36.

It was encouraging to see a fine entry of women, many recruited by Kathryn Morris of the London Women's Racing C C of which many were riding their first-Time Trial. I'm sure that it will be some comfort that future Time Trials will seem less demanding in comparison.

In the Team Competition I was surprised to see that the winning margin was 25 seconds over 2h 43m.

Finally, I would like to thank you all for entering a I look forward to seeing you all again on the Start Line next year.

Also, your kind generosity has meant that I am sending a cheque for £108 to St Christopher's Hospice in memory of Don Glover.
